Dr. G. Rama Subba Reddy, Professor in the Department of Computer Science & Engineering, Sai Rajeswari Institute of Technology, Proddatur, Andhra Pradesh. He is the author of over 50 articles in various fields like cloud computing, IoT, WSN, Network protocols & Security. His current research focus is on Machine Learning, Data mining, and Cloud Computing.

Mr. J. Jagadeswara Reddy, Assistant Professor at Computer Science & Engineering, Sai Rajeswari Institute of Technology, Proddatur, Andhra Pradesh. He is the author of over 20 articles in various fields like cloud computing, IoT, WSN, Network Protocols & Security. His current research focus is on Machine Learning, Data mining, Cloud computing, Data Science and Artificial   Intelligence.

Mrs. E. Indra, Associate Professor in the Department of Computer Science and Engineering at Mailam Engineering College, Tindivanam. She received her B.E(CSE) from Madras University, Chennai, M.E(CSE) from Anna University, Chennai, and PhD (CSE) currently doing in Takshashila University, Tindivanam. Her research area includes Artificial Intelligence, Machine learning, and Deep learning. She has around 20 years of academic experience. She has published server papers in international & national   journals,   books,   and   conferences.

Dr Penubaka Balaji is a Assistant Professor in Computer Science & Engineering (Honors), at K L University (K L E F - Deemed to be University), Vaddeswaram, Guntur. He has 19.5 years of abundant experience in Teaching, and research. He has 18 years of experience in Engineering Colleges and 1.5 years of experience in K L University. He has published several papers in international & national journals and conferences, and reviewed several Scopus journals. He is qualified in GATE. He has received her B.Tech (CSIT) degree from Jawaharlal Nehru Technological University Hyderabad, M.Tech (CSE) degree from Jawaharlal Nehru Technological University Anantapuramu Anantapur and Ph.D. from K L University (K L E F), Vaddeswaram in "Classic Reputational Trust Assessment-An Opinion Mining Technique for Trust Evaluation of E-Commerce Applications".
