

About the Authors

Dr. Yanamala Subba Reddy is working as a Professor & HOD of Computer Science & Engineering of Sri Rajawati Institute of Technology (Autonomous), Proddatur, YSR Kadapa District. He did his M.Tech in Computer Science & Engineering from Sathyabama University and Ph.D in Computer Science from SVU University, Tirupati in 2019. He has 25 years of teaching experience, being a faculty in various engineering colleges. He has a number of research papers in reputed international journals, one patent and Two Text Books. His subject of interests are Data Science, Machine Learning, Cyber Security, Programming Languages (C, C++, Java, Python, PHP, JS), Web Technologies, Compiler Design, Data Mining, Cryptography, etc. He is a member of CSI, IAS, IATA, SDWC.

Mrs. Yerraginnela Shravani, working as Assistant Professor, Department of Computer Science and Engineering (AIML), Gannavolu Institute's Technical Campus (Autonomous), Srisatampalem. She is pursuing her Ph.D in Machine Learning from KI University, Vijayawada. She completed her M.Tech(CSE) from Kallur Memorial Institute of Technology, INTU and B.Tech (CSE) from Sphoorti Engineering College, INTU. She is having 9 years of teaching experience from various engineering institutions. She has published 5 International Conference Papers, 2 paper in National and International Journal. She has 1 Patent. Her areas of interest are Artificial Intelligence, Machine Learning, Deep Learning.

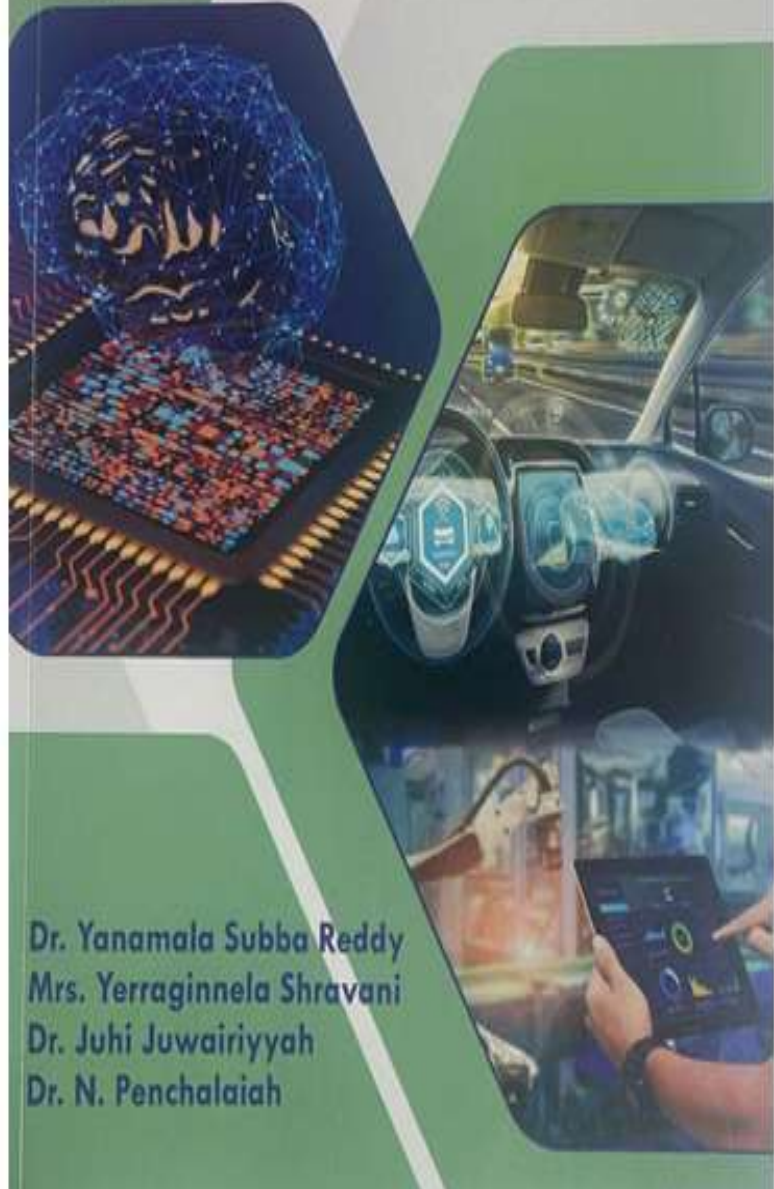

Dr. Juhi Juwariyyah is working as an Assistant Professor in the Department of Computer Science & Engineering of Keshav Memorial Institute of Technology, Nampallypudi, Hyderabad. She completed her B.Tech in CSE and M.Tech in CSE from Mallareddy College of Engineering for women's, Affiliated to INTU. Dr. Juhi Juwariyyah has completed her research work in the field of Deep Learning from University of Technology, Japan. The academic journey laid the foundation for a remarkable career marked by a commitment to excellence and a deep understanding of AI/ML. She actively involved in academic activities.

Dr. N. Penchalaiah Professor in Computer Science & Engineering Department & Principal of Anubandura College of Engineering & Technology (Autonomous) (Sri Polytechnic) Guntur. He completed Ph. D (Computer Science and Engineering) from Sri Venkateswara University, Tirupati, India in 2015. He has a 22 of years of experience in teaching, published nearly 15 papers in International peer-reviewed journals (SCI-E, Scopus/WoS, and UGC Care List) and 22 International Conferences & National Conferences. He acted as Convener for Conducting 7 National level Technical Symposiums (TECHCONATS). He received two prestige's awards (Adarsh Vajra Saraswati Rashmi Puraskar, Swatch Bharat Mission (SDF)) and he received Best Faculty Awards His areas of interest are Computer Networking, Wireless Sensor Networking, Computer Organization, JAVA, JSP, UNIX Operating System, Data Warehousing and Mining, Data Technology, Python & Data Science.
